Novamed Orthotics Pvt Ltd is a leading manufacturer and exporter of Orthopedic Rehab Products, specializing in the design and production of high-quality orthotic devices to support patients in their rehabilitation journey. With a commitment to innovation, excellence, and customer satisfaction, Novamed Orthotics is dedicated to providing products that enhance the quality of life for individuals with musculoskeletal conditions.

**Vision:** Our vision at Novamed Orthotics is to be a global leader in the orthopedic rehabilitation industry, known for our cutting-edge products, superior quality, and unwavering commitment to customer care. We strive to make a positive impact on the lives of those in need of orthotic support, by continuously innovating and improving our products to meet the evolving needs of our customers.

**Mission:** Our mission at Novamed Orthotics is to provide orthotic solutions that empower individuals to lead active and fulfilling lives. We are dedicated to designing and manufacturing high-quality products that promote mobility, independence, and overall well-being for our customers. Through research, collaboration, and a relentless pursuit of excellence, we aim to be the trusted partner for orthopedic rehab products worldwide.

**Quality Policy:** At Novamed Orthotics, quality is at the core of everything we do. We are committed to maintaining the highest standards of excellence in our products and services, ensuring the satisfaction and safety of our customers. Our quality policy is founded on the following principles:

- 1. Customer Focus:** We are dedicated to understanding and exceeding the needs and expectations of our customers, delivering products that meet or exceed industry standards and regulatory requirements.
- 2. Continuous Improvement:** We strive for continuous improvement in all aspects of our operations, from product design and development to manufacturing processes and customer service. By constantly seeking feedback and implementing best practices, we aim to enhance the quality and reliability of our products.
- 3. Compliance:** Novamed Orthotics is committed to upholding the highest standards of regulatory compliance and ethical business practices. We adhere to all relevant laws and regulations governing the manufacture and distribution of orthopedic rehab products, ensuring the safety and efficacy of our products.
- 4. Teamwork:** We believe in fostering a culture of collaboration, teamwork, and mutual respect among our employees, suppliers, and partners. By working together towards a common goal, we are able to achieve greater efficiency, innovation, and customer satisfaction.
- 5. Accountability:** We hold ourselves accountable for the quality of our products and services, taking ownership of our actions and decisions. We encourage transparency and open communication at all levels of our organization, enabling us to identify areas for improvement and implement corrective measures promptly.

By adhering to these core principles, Novamed Orthotics aims to be a leader in the orthopedic rehab industry, known for our unwavering commitment to quality, innovation, and customer care. We are dedicated to empowering individuals with musculoskeletal conditions to lead active, fulfilling lives, and are proud to be a trusted partner for orthotic solutions worldwide.
